15 April 2016

Dear Louise,

On behalf of SSAT, I would like to congratulate you, your staff and pupils once again on your achievements in the 2015 national tests, and to welcome you to the Primary Network.

We're delighted that your school has achieved the SSAT National Award standard for **Children's Progress - top 20%**. This means that your school has enabled children to make progress in Reading, Writing and Maths which is significantly higher than the national average at KS2 and is among the top 20% across all schools nationally. We are pleased to enclose a certificate for you to display in your school. We will shortly be sending you an Award logo that you can add to school stationery and your school website, as well as press release copy to help you communicate your success to parents, the community and local press. You will also be invited to a celebration event in the summer term and we will be in touch soon with further details. Your constant hard work and dedication to your students is an inspiration to the community and we are happy to highlight and share this with the network.

As an SSAT member you can access the Educational Outcomes database online by signing in to our member-exclusive area, **the Exchange**, at ssatuk.co.uk/the-exchange. If you would like to see more specific details about the performance of your school in relation to national outcomes, particularly in light of your achievements above, you can do this by applying the filters on the last tab of the spreadsheet.

As part of SSAT membership, you have the opportunity to collaborate with colleagues and share best practice across the country. We would be delighted if you would consider sharing and presenting your work at one of our many national events or through our publications. If you would be happy to share your success in this way, please email the team at primary@ssatuk.co.uk.

We look forward to working with you and your school in the future.

With best wishes,

A handwritten signature in cursive script that reads 'Jo Corrigan'.

Jo Corrigan
