Dear Mrs Browning,

I would like to pass on to you, your superb staff and the wonderful team of children, the thanks of the SENCO Forum for the inspirational training they delivered, yesterday, at Grims' Dyke.

The training was extremely well received by fifty-one SENCOs and Inclusion Mangers from primary, secondary, and FE schools and colleges throughout Harrow.

The children behaved impeccably and demonstrated high level empathy and moral purpose, particularly in answering questions from the forum.

Their self-assurance and presentation skills were exceptional.

Many of the recipients are very interested in inviting the team to visit their schools to deliver FGM awareness.

Thank you for supporting Harrow Schools to protect the women and girls in their communities.

Yours, sincerely,

Dr Geri Gowans,
Senior School Improvement Adviser
Harrow School Improvement Partnership
